Dear Peter,

The pace of change for the energy transformation is quick and exciting, and together we are making it happen. I hope you will join Amory Lovins and me for an interactive web discussion on Tuesday, May 2 from 1–2 p.m. ET.

While we are proud to celebrate RMI's 35th anniversary, we want to focus the conversation on what's ahead, including diving into the next "35 for 35"—the bold ideas to make real change happen.
