Risk and reward on a global scale; How the C-Suite can influence culture, manage risk and execute strategy

The global body for professional accountants

The Association of Accountants and Financial Professionals in Business

Dear Peter,

ACCA, The Center for Excellence in ERM at St. John's University, and IMA are thrilled to invite you to join us for a night of lively discussion and an inside view into the role of the C-Suite.

Our **free** event, entitled "Risk and Reward on a global scale; How the C-Suite can influence culture, manage risk and execute strategy" will include a networking reception followed by a panel of industry leaders.

Event Details:

Events

Event Agenda

6:00pm - Registration and Networking

6:30-7:30pm - Panel Event

7:30-8:00pm – Post Event Networking

Introduction and Moderator Introduction: Warner Johnston, Head of ACCA USA

Moderator: Professor Paul L. Walker, James J. Schiro / Zurich Chair in Enterprise Risk Management & Executive Director, Center for Excellence in ERM at St. John's University

Dr. Walker is an expert in the field of Risk Management and co-developed one of the first courses on Enterprise Risk Management (ERM). He has written extensively on risk and ERM including the books *Improving Board Risk Oversight through Best Practices*, *Making Enterprise Risk Management Pay Off* and *Enterprise Risk Management: Pulling it All Together*. In August 2014, Dr. Walker released a new research report supported by ACCA and IMA entitled "A Risk Challenge Culture to Promote Good Risk Management Practices in the C-Suite and Across the Organization" which you can see [here](#).

Panelists

- **Helen Brand**, Chief Executive Officer, ACCA
- **Marc Palker**, Principal, MMP Associates, Inc. & IMA Chair Elect
- **Mark Vale**, International CFO, UPS
