## **The Girton Artist in Residence Program - A Conversation with Dr. Ruth Whaley**

*Join fellow alumni for a conversation with Ruth Whaley, Barbara Bodichon Foundation Fellow, Girton College and Senior Advisor, Centre for Risk Studies at Cambridge Judge Business School.*

*Ruth will discuss the Artist residence program, which provides engagement between visual artists and the Collegiate Cambridge community. Artists live and work in Girton for an entire academic year, mingling with Fellows, staff and students on a day-to-day basis.*

*Fellowships have included workshops, films and performances and culminate in a final exhibition event showcasing the artist's work during the year.*
