2nd Annual ESG, SRI & Impact Investing Summit

Hi Peter,

Crafting a portfolio of investments that gives solid returns while helping your fund meet social, environmental, governmental, or any socially responsible goals is no easy task. As you increase your investments in the SRI/ESG and impact investing space, due diligence, transparency, fiduciary responsibility, and performance impact is more important than ever. For that reason you must attend Financial Research Associates' **"2nd Annual ESG, SRI, and Impact Investing Summit on March 30-31 in New York City.** Through in-depth research with a wide-array of quality thought leaders, we've carefully crafted an agenda that's primed to be the ultimate ESG/SRI/Impacting investing for Institutional Investors event of the year.

[Website](#) | [Brochure](#) | [Register](#)

What Can Investors Expect from this Summit?

- Integration challenges from the investors' point of view
- Inflexible and necessary due diligence, transparency, and on-going monitoring practices
- The most effective strategies for performance and impact measurement
- Unconventional risk-adjusted returns for ESG, SRI, and impact investments
- Fiduciary evolution and regulations skyrocketing growth in the ESG and SRI industry
- Crushing engagement challenges and seeking new opportunities
- All the how tos for reaching a zero-net carbon portfolio
- Specific tips of the trade from our European counterparts
- Diving into the 401K pool: What are the new tools creating a positive impact in your 401K?
- ESG and big data concerns and opportunities
- And so much more!
