Helping our Members Succeed

Dear Peter,

I am excited to announce that Nick Parker, the new President of ICAEW, will be visiting us on September 12, 2017. Nick is looking forward to meeting ICAEW members in the New York area at this event, which is exclusively for ICAEW members. Nick will be accompanied by Mark Coles, our U.S. Constituency Representative on the ICAEW Council.

Join us for this unique opportunity to discuss issues directly relevant to you as an ICAEW member in the United States and have your opinion heard. Your voice will help further our efforts to ensure that ICAEW's leadership supports its US based members. Nick and Mark will also update you on the services & benefits offered to members outside the UK and progress on U.S. recognition of the ACA/FCA designation. This is also a great opportunity to network with your fellow local ICAEW members.

Registration for this meeting, which will be held on **Tuesday, September 12, 2017** is now open. You can register [here](#) (logon required). We'll start at **6:00pm** with a light dinner and an opportunity to network. There is no charge for members attending this event, but registration is required. In order to facilitate planning for catering and for security reasons, please register by no later than close of business Thursday, September 7, 2017.
