What is the role of a professional journalist in this bewildering battleground of hacks, leaks, and fake news?

Join Bridget Kendall, award-winning BBC journalist and Master of Peterhouse, in New York City and Washington, DC for drinks receptions and discussions on the shifting landscape of journalism.

All alumni and friends are invited to network and hear how politics and technology are changing the world of journalism. For more information on the events, please see below.

We hope you will be able to join us.
