Event Details

Hey WSBA Members and Friends!

Join us for the **WSBA End of Summer Bash!**

Hosted by our friends at corporate member **Global Debt Registry.**

Organizer

The **Wall Street Blockchain Alliance (WSBA)** is a 501 (c)(6) non-profit trade association created for financial market professionals, by financial market professionals.

Blockchain, distributed ledgers and smart contracts represent a seismic shift in how financial markets, and all aspects of the global economy, operate. In the same way that the internet gave us a powerful way to share and access information, blockchain technology now gives us a powerful way to share and access value.

An informal evening of fun, food and drink to end the summer.

There is a \$10 fee to cover food and cocktails.

We hope we see you there!!

Have questions about WSBA End of Summer Bash !!? [Contact the organizer](#)

Our mission is to guide and promote comprehensive adoption of distributed ledger technology across financial markets. We do this by engaging with market participants, regulators, policymakers and technology innovators through direct communication, comment letters, studies and more to guide the public dialogue about blockchain, distributed ledger and smart contract technology, so that the financial markets can realize the full potential of these capabilities.
