2018/19 Program/Cambridge Consulting Survey/IERG/Social Entrepreneurs

2018/2019 Program Please join us for the first in our series of “First Steps on the Entrepreneurial Journey” at The Rise NY on November 12th. This will be a great opportunity for new and not so new entrepreneurs to evaluate the options at the early stages of their venture.

The format will be discussions between experienced guides, mentors and experts and new entrepreneurs. In the first session we will tackle the initial stages of converting an idea into reality, partnership and co-founder relations, and financial and legal structures.

As usual there will be plenty of opportunity for networking before and after the session. There will be a cash bar and hors d'oeuvres will be provided. You can register with this link: <https://www.eventbrite.com/e/first-steps-on-the-entrepreneurial-journey-tickets-51335016416>

We are grateful to The Rise NY for hosting us.

Cambridge Consulting Network is building a go-to platform for entrepreneurs globally, where individuals and organizations meet the opportunities, tools and network to elevate their entrepreneurial journey. Users can create a project to showcase their initiative, add pitch videos and interactive content, connect with like-minded individuals and discover and apply for collaboration and funding opportunities tailored to them This questionnaire is designed to understand your expectations for a go-to-platform for innovators and relevant organisations. As the first platform offering these services all in one place, we need your advice to tailor each service to your needs. There are 13 questions in this questionnaire, and it will take you approximately 5 minutes to finish. <https://www.facebook.com/groups/666883720134093/>
