About Singularity University (SU)

Peter also serves as Co-Founder and Executive Chairman of Singularity University and highly recommends SU's programs for those who want to go into depth on exponential technologies. Peter's work with A360 and A360D are done in collaboration with SU. And, while A360D offers a different experience than SU, it serves as a great "on-boarding" precursor for SU's GSP and Executive Programs. More information for SU's events are available here: www.singularityU.org. A360 Digital is presented in collaboration with Singularity University.
