Dear Thomas Peter,

Thank you for helping keep Wikipedia online and ad-free. I'm sure you're busy, so I'll get right to it. We need your help again this year. [Please help us forget about fundraising and improve Wikipedia.](#)

If all our past donors simply gave again today, we wouldn't have to worry about fundraising for the rest of the year.

We are the small non-profit that runs one of the top websites in the world. We only have about 300 staff but serve millions of users, and have costs like any other top site: servers, programs, and people.

Wikipedia is something special. It is like a library or a public park. It is like a temple for the mind, a place we can all go to think and learn.

To protect our independence, we'll never run ads. We are sustained by donations from our readers. Now is the time we ask.

[If Wikipedia is useful to you, please take one minute to keep it online and ad-free another year.](#)

Thanks,
Jimmy Wales
