## Sustainability Reporting News

[About GRI](#) | [Reporting Framework](#) | [Report Services](#) | [Training & Workshops](#) | [Publications](#) | [Events](#)

Dear Reader,

Welcome to the September edition of the GRI Newsletter. Among the highlights this month: spotlight on investors and corporate disclosure; Deutsche Börse Group fostering ESG transparency; XBRL taking flight in Hong Kong, featured OS - Bank Audi, and featured report - Votorantim Industrial; new era of sustainability assurance; and GRI's Sustainability Disclosure Database reaching 20,000 reports!

### Investors and corporate disclosure

Investors have a growing need for timely, comparable and material disclosure of corporate sustainability information to inform their investment decisions. There have been a number of important recent developments to encourage increased corporate disclosure.

## GRI seeking quality control consultants

We are looking for appropriate candidates to implement the evaluation of the Certified Training Programs (CTPs) given by GRI's nominated training partners based in [Benelux](#), [France](#),

Indonesia, Israel, Malaysia, Poland, Russia, and Thailand. If you are interested in working together with GRI to ensure the quality of the CTP, please send us a motivation letter and a short CV in English **before 30 September 2014**.

## FEEDBACK

### We value your feedback!

We appreciate your comments and input on the newsletter survey. We are working on it and will keep you posted on the progress! Watch this space for further updates.
